**Judy Serowik**

After months of looking, I recently purchased a 2 year old BMW suv from AJ Fort Walton BMW. He was more than patient and everything was completed with an hour. He is a wealth of knowledge. Thanks AJ love my car. Regular maintenance as I waited for a very reasonable time in a beautiful clean, spacious area with tv, plenty of sitting. I only trust bmw technicians with my car, they reviewed everything in full detail with a timeframe which included pricing. I will certainly return to fort Walton Bmw.
